EDITORIAL CONTENT:

The purpose of the Oak Tree Newsletter is to inform the residents of Grand Haven about things that are of interest in the community as well as the actions of the GHMA that affects residents and their property. The Editor seeks input from residents regarding areas of interest and activities that are taking place in the community.

Many of our residents are interested in volunteer activities, so each issue contains articles regarding the needs of the local non-profit organizations and the contact information for each.

The Oak Tree does not accept articles from for-profit entities, with the exception of the Amenity Center and the Grand Haven Golf Club informing residents of activities at those two locations.

The acceptance of all materials submitted for inclusion in the Oak Tree will be at the sole discretion of the Editor.

Revised and approved by the GHMA Board 9/23/22
